Budget Provision for M.C.S. Exam. & Prob. Asst-Comrs

File No. of 193 | General and Revenue Secretariat

4) On the last occasion - in connection with the M.C.S. Examn of 1928 - an expenditure of Rs 18,271-8-0 was incurred (of which Rs 14,790 was on account of fees to examiners), and as against this a sum of Rs ~~2,500~~ 2,250 was realised from Examination fees paid by the candidates. This year, the income (at Rs 50/- a candidate) may be a little higher and the ratio of expenditure may not be higher.

5) Perhaps, provision may be made for an expenditure of Rs 18,000 and an income of Rs 3000, under "14 Scientific & Mis. Depts. 4. Examinations" and "X Scientific & Mis. Depts" respectively.

6) Provision may also ~~had~~ have to be made for meeting the pay of the Probationary Assistant Comrs to be appointed. The appointments may be made about January 1937, and for 4 Probationary Asst-Comrs at Rs 200/- per month each for 5 months, the cost would come to about Rs 4000. This may be provided under "1 Land Revenue - 2 Charges of District Administration."

7) The Scope of the Exn was revised with a View to Keep down Expr which was considered Excessive in the last Exn Before this Exn the Expr was only 14,000 In para 9 in the File CB. 112-35-SL1- the Cost is put down at 6,000. The possibility of reducing the scale of Remuneration to the Examiners & Members of the Board may also be considered in this Connection.

8) It is therefore desirable to get a rough estimate of the anticipated Expr from the Secretary of the Committee and also suggestions for reducing scale of fees etc before ~~deciding on~~ fixing the amount to be provided in the Budget — ~~It is also necessary~~

9) The expenditure incurred in 1928 was Rs 18,271-8-0 classified as follows:—

	Rs
(i) Setting Question papers @ 100 each:	7,700
(ii) Valuation of answer papers:	3,620
(iii) Fees for conducting practical examn & Viva Voce:	1,770
(iv) Honorarium to Members of the Board:	1,700 (*)
(v) T. A. to Members	1988
(vi) Books (not cost)	398
(vii) Fees to Medical Board	480
(viii) Contingencies & Misc:	615
	Rs 18,271

(*) The full cost will come to Rs 1950, but smaller amounts were paid to some)

Under the revised Scheme, savings are expected under items (i) to (iii) in view of the reduction in the number of question papers set and answer papers valued. The Committee of 1931 expected that the reduction may be estimated at Rs 8000/- So the total revised cost on this basis would come to about Rs 10,000. [The figure of Rs 6000 referred to in Fin Secy's note is what the chief Secy estimated it to be after setting off against the expre the income realisable from fees paid by examinees and is a very approximate figure. As the revenue from fees is shown separately in the budget the gross expenditure of the examn. is proposed to

10) With reference to the reduction of the scale of fees to Examiners, it is submitted that the Board of 1931 considered this question & proposed a reduction from Rs 100 to Rs 75 per ~~new~~ question paper set and this proposal has been accepted by Govt. & taken into account in working out the above reductions. The Members of the Board have already been informed of the scale of honorarium that will be paid — on the basis of previous years — In view of this, it is for consideration whether any ~~further~~ action is necessary in regard to reduction of the expenditure under these items still further.

11) ~~The fees~~ The expenditure depends mainly on the proportion of the Candidates that may be eliminated on the results of Part I the examination, and on the total number of Subjects selected by the Candidates for Part II - for which there is a large choice. ~~Previously~~ In 1928 only about 50 candidates applied but this year a much larger number may apply. This is the first time an examination is held under the Scheme, and the Committee appointed to Conduct the Exam^n may not be in a ~~position~~ much better position to furnish an accurate forecast in view of so many varying factors
